

## **Licensed Therapist**

Good Human Work is seeking applicants for a part-time Licensed Marriage and Family Therapist (LMFT) position to start as soon as possible. The primary responsibilities for this position include seeing individual, couple, and family clients virtually (and pending location and mutual agreement, one day per week in our office locations). We are seeking highly motivated individuals who emphasize systemic and multicultural understandings in their work.

Our practice was built on the foundation that we are stronger as a whole than we are as individuals. As a therapist-owned and therapist-run company, it is our mission to treat our therapists with the respect, honor and care that they deserve. We are committed to taking care of our employees, and in turn, know they will take good care of our clients.

Employment status is considered part-time with work compensation from 5-20 hours per week and determined through our mutual agreement. The employee will be representing Good Human Work values and vision.

## **Licensed Therapist Responsibilities**

Provide clinical, therapeutic services to individuals, couples, and families, per licensing and regulations

Maintain appropriate client files and documentation per legal regulations and ethical professional standards

Collaborate with administrative team to care for clients

Maintain state licensure and adhere to all legal and ethical standards

Utilize systemic models of therapy and the Good Human Work approach

Participate in clinical case consultations

Work with team members and contractors to support Good Human Work's mission, values, and initiatives

Support and participate in Good Human Work's outreach efforts

Represent the Good Human Work values and vision

Other duties as assigned

## **Minimum Qualifications & Skills**

Ability and interest in collaborating with an interdisciplinary team

Ability to respond in timely fashion to requests  
Comfort with technology and ability to provide therapeutic services through digital platforms  
Excellent verbal and written communication skills  
Exceptional organization skills and a strong work ethic  
Training and experience with systemic models of therapy  
Hold active, unrestricted state licensure (LMFT, LMHC, LICSW, LPC, or comparable)  
Demonstrated experience providing care and support to a variety of diverse clients  
Interest in working in group private practice and collaborating with other clinicians  
Desire to continuing learning and growing in the field

## **Perks & Compensation**

Flexible schedule - no evenings/weekends required  
Pay rate of \$60/hour (All work hours are paid.)  
Paid sick leave  
Employee-assistance program  
Paid CEU and training opportunities  
Malpractice Insurance  
Professional office space with amenities for hybrid employees  
Optional commuter benefits, caregiver resources, and other voluntary benefits available  
Opportunities for growth and advancement  
Discounts and member pricing for a variety of products and services at companies nationwide

## **To Apply**

Applications will be accepted until the position is filled.

To apply, please start [here](#).

*Note: Currently, priority is being given to applicants in Wisconsin, Minnesota, Illinois, particularly if located near the Milwaukee, Minneapolis, or Chicago areas. If you are located elsewhere, we encourage you to apply and/or set up a chat. We regularly find ourselves hiring elsewhere unexpectedly and will keep your information on file.*

*Additionally, Good Human Work believes strongly in living our values daily. We are a place and group of people that upholds an individual's right to live an authentic life where their identity is celebrated and affirmed. We believe that diversity makes us stronger and better as humans. We promote diversity, multiculturalism, and inclusion and strive to live out these values in our lives. We highly encourage therapists who identify with (an) underrepresented group(s) to apply.*
